

Your Love Is a Lie

Simple Plan

I fall asleep by the telephone
It's two o'clock and I'm waiting up alone
Tell me, where have you been?
I found a note with another name
You blow a kiss but it just don't feel the same
'Cause I can feel that you're gone
I can't bite my tongue forever, while you try to play it cool
You can hide behind your stories, but don't take me for a fool
You can tell me that there's nobody else
(But I feel it)
You can tell me that you're home by yourself
(But I see it)
You can look into my eyes and pretend all you want
But I know, I know
Your love is just a lie!
It's nothing but a lie!
You look so innocent
But the guilt in your voice gives you away
Yeah, you know what I mean
How does it feel when you kiss when you know that I trusted you?
And do you think about me when he fucks you?
Could you be more obscene?
So don't try to say you're sorry
Or try to make it right
And don't waste your breath because it's too late
It's too late!
You can tell me that there's nobody else
(But I feel it)
You can tell me that you're home by yourself
(But I see it)
You can look into my eyes and pretend all you want
But I know, I know
Your love is just a Lie! (Lie!), Lie! (Lie!)
It's nothing but a Lie! (Lie!), Lie! (Lie!)
You're nothing but a lie!
You can tell me that there's nobody else
(But I feel it)
You can tell me that you're home by yourself
(But I see it)
You can look into my eyes and pretend all you want
But I know, I know
Your love is just a lie!

I know, you're nothing but a lie! (Lie!), Lie! (Lie!)
You're nothing but a lie! (Lie!), Lie! (Lie!)
Your love it's just a lie.
