

Smash a Single Digit

Napalm Death

Crunch a number
Grind your gears
Crunch a number root out a stiff
Then tightly squeeze
Wretch after wretch
Non expressive matter
Designated to perish
Smash a single digit
Wretch follows wretch
Cleave to progress, rotate the cull
Cleave to progress, this ranks
Lower than collateral
Louse after Louse
Non reflective minions
Who must labour and perish
Smash a single digit
As there is no lower to plunge
No heed is paid to consequenses
There's no sum when
You're not apart
