

# Never Let Me Go

Luther Vandross

just let me love you tonight  
forget about tommorow  
my darling wont you hold me tight  
and never let me goDry your eyes  
no tears, no sorrow  
cling to me with all your might  
and never let me goA million times or more  
we said we'd never part  
but lately I find  
your a stranger in my heart  
give me the right  
in summer or in spring time  
to tell the world that your mine  
and never let me go  
and never let me go
