

Make It To Heaven (with Raye)

David Guetta & MORTEN

If I take one more shot
If you take one more shot
Ooh-ooh-ooh, baby
We might just make it to heaven
If you stay up all night
If I stay up all night
Ooh-ooh-ooh, baby
We might just make it to heaven
To heaven
We might just make it into heavenIf I take one more shot
If you take one more shot
Ooh-ooh-ooh, baby
We might just make it to heaven
If you stay up all night
If I stay up all night
Ooh-ooh-ooh, baby
We might just make it to heaven
Ooh-ooh-ooh, baby
Baby, one more song
One more song, whoa, baby
We might just make it to heaven
To heaven
We might just make it into heavenWe might just make it into heaven
We might just make it into heaven
We might just make it into heaven
