

# Pocket Full of Stones

UGK

When I first started back in 1989  
I wasn't movin keys I barely movin dimes  
Started comin up fiends recognize my face  
Started payin off the laws so I wouldn't catch a case  
You wanna freebase I got them hovers for your ass  
You get high as a kite and you feel a megablast  
Cash movin stacks, then they came to piles  
And then them fiends started hittin crack viles  
Back in the days they used to run up sayin Pimp  
C what ya know?  
I tell em get this crack and get the fuck away from me hoe!  
Cause everywhere I went it became an instant cut  
Cause they knew I cut them twentys and them big fat monkey nuts  
A fiend gon' be a fiend, but you can't change they ass I guess  
Take a Brilo pad to the chest  
Now they won't leave me alone  
Cause they know I got a whole pocket full of stones  
I gotta pocket full of stones  
I gotta pocket full of stones  
I gotta pocket full of stones  
And they won't leave my ass alone  
I bought a Cadillac brought it to a street top  
Started me a family and started pushin crack rock  
Rock crack sho ain't good in the city that  
Had a fuckin hoe for every letter in the alphabet  
Annie and Brenda, Carla and Dee  
And a whole lot a fiends that used to suck my dick for free  
Now what did C?  
I bought my first key from my babymommabrutha  
I cooked it up myself and started passin out them hovers  
Everybody in my faaamily was clockin loot  
Sold my cadillac and bought a lexus sports coupe  
I gotta house on the hill gotta boat on the lake  
Gotta a detail shop to cover up them duckets that I make  
It's to the point where I don't see dope no more  
Still smoke weed still drink beer and toke  
Now all them laws won't leave me alone  
Cause they know all my niggas got a pocket full of stones  
Livin real smooth like Aloe Vera lotion  
I'm sellin crack rock, the devil's love potion  
Three wheel motion on my buick park ave  
Fiends used to smoke twentys, now they smokin slabs  
Paid like a muthafucka clientel is growin  
It's gettin so bad I got pregnant fiends hoin

Suck a dick and lick an ass just to get a pump  
Fuck Black Caesar niggaz call me Black Trump  
Pistol Grip pump in my lap at all times  
Niggaz fuck wit other niggaz shit but they don't fuck wit mine  
Got my money totalled for a big time pass  
17-5 I gotta bird on they ass  
I put my boys down so they wouldn't have to rob  
Now my click is comin up like the fuckin mob  
My workers got workers everybody makin green  
Gettin cash for puttin stones in the pockets of the fiendsBusiness boomin daily, my product  
sellin fast  
Me and my nigga C is makin money out the ass  
This shit is gettin silly dope is so easy to sell  
Pay everybody bail ain't no spendin time in jail  
I gotta make the sales cause it's all about that green  
Mo worker mo workers, my face ain't on the scene  
My attitude is mean cause I keepin my respect  
Ain't nobody out of line cause I got em all in check  
I broke a cops neck cause he step outta place  
Dead pig, murder 1 now I got time to face  
The judge that sent me got capped by my nigga C  
And now his ass is sent up the river next to me  
Four years pass and we back on the shoulder  
Cut a fifty up into a nice fat boulder  
Cut it to a nice fat pile of hover tens  
Gotta pocket full of stones startin all over again!!!
