

Shhh

Bhad Bhabie

I ain't ask for the shit but I got it (but I got it)
I ain't ask for this fit but I rock it (yeah I rock it)
I go ssshhhh on a bitch be quiet (be quiet hoe)
I go sssshh on a bitch be quiet (be quiet hoe)
I ain't ask for it
I was made for it (I was made for it)
I ain't ask for it
Bitch I was made for it
I go ssssh on a bitch be quiet (be quiet hoe)
I go ssssh on a bitch be quiet (be quiet hoe)
My car a immigrant
With the windows tint
I can't see you hoes
You be faking shit
Got Kylie on ya lip
I go swooppee
Baby hairs
Then I swoop
In my coupe
I could sneeze on a bitch
And that shit make the news
Just the other day
Billboard Count the plays
It's fuck Charlemagne
Donkey of the day
He washed and he fake
Don't eat breakfast anyway
Just wake up and get the cake
Put the cash down on the wraith
You put it on lay-a-way
I went from noodles to lobster just Paid off the crib for
My mama
Ain't wasting no time so I clocked her
Clean up on that bitch, yeah I mopped her
Ridin with yo bitch in a drop
Ain't no secrets she might be a cop
On my wrist is a rose colored watch (watch)
Broke hoe you got it from Ross
I'm rich don't tell me the cost
Goyard over la coste
Don't need a job Bhabie a boss
I'm drippin I got all the sauce

Yo slippin, you tripping on me
My foot on yo neck
Wait til you caught
I got all the chips
Stay throwing the salt
But that ain't my fault
I ain't ask for the shit but I got it (but I got it)
I ain't ask for this fit but I rock it (yeah I rock it)
I go ssshhhh on a bitch be quiet (be quiet hoe)
I go sssshh on a bitch be quiet (be quiet hoe)
I ain't ask for it
I was made for it (I was made for it)
I ain't ask for it
Bitch I was made for it
I go ssssh on a bitch be quiet (be quiet hoe)
I go ssssh on a bitch be quiet (be quiet hoe)
