

# Terrified

## Childish Gambino

There's a bottom to the top of the moment  
You won't always be around  
Catch a nigga coming quickly behind you  
People want you underground  
Do you misbehave?  
Haunt you to your grave  
I'm going to eat you alive  
Please don't find me rude  
But I don't eat fast food  
So don't run to me, baby  
Just hide, Ooh!

You know that you're the one that's terrified, Ooh!  
Just hide, Ooh!

You know that you're the one that's terrified, Ooh! La, la, la, la, la

La, la, la, la, la I'm spinning, I'm spinning, I'm spinning you up

I'm spinning, I'm spinning, I'm spinning you up

I'm spinning, I'm spinning, I'm spinning you up

I'm spinning, I'm spinning, I'm spinning you up

I'm spinning, I'm spinning, I'm spinning you up

I'm spinning, I'm spinning, I'm spinning you up

I'm spinning, I'm spinning, I'm spinning you up

I'm spinning, I'm spinning, I'm spinning you up

I'm spinning, I'm spinning, I'm spinning you up Just hide, you know that you're the one, that's  
terrified

Just hide, you know that you're the one, that's terrified

No, no, no, no, no, no, no, please

Ooh-oh—no, no, no, Ooh!

Oh you can't run from me

You can't hide from me
