

Live It Out

Jordan Feliz

Hey!

I feel a drum in my heart, in the beatings, breaking through
I feel a fire in my bones and I got to let it loose
Nothing of this world could ever give me the joy that comes from You
And I cannot contain it; gonna live it so they can see the truth

Ohh, this love that I know

I feel it deep in my soul, breaking my walls down

Wanna scream it loud

I'm gonna live it out, hey!

Yeah yeah yeah, yeah yeah yeah, yeah yeah yeah

I'm gonna live it out

Here's my life, let it be a reflection of who You are

Here's my hands and my feet, let 'em take You near and far

Nothing of this world could ever give me the hope that comes from You

And I just cannot hide it, gotta shine it so all can see the truth

Ohh, this love that I know

I feel it deep in my soul, breaking my walls down

Wanna scream it loud

I'm gonna live it out, hey!

Yeah yeah yeah, yeah yeah yeah, yeah yeah yeah

I'm gonna live it out

Yeah yeah yeah, yeah yeah yeah, yeah yeah yeah

'Cause when I live it, I'm givin' the world a piece of You

Anywhere I'm goin', I'm showin' just what Your love can do

'Cause when I live it, I'm givin' the world a piece of You

Anywhere I'm goin', I'm showin' just what Your love can do, yeah

Ohh, this love that I know

I feel it deep in my soul (deep in my soul), breaking my walls down

Wanna scream it loud

I'm gonna live it out, hey!

Yeah yeah yeah, yeah yeah yeah, yeah yeah yeah

I'm gonna live it out

Yeah yeah yeah, yeah yeah yeah, yeah yeah yeah

'Cause when I live it, I'm givin' (woo) the world a piece of You

Anywhere I'm goin', I'm showin' just what Your love can do

'Cause when I live it, I'm givin' (woo) the world a piece of You

Anywhere I'm goin', I'm showin' just what Your love can do
