

# Lullaby (feat. Matt Costa)

Jack Johnson

When you're so lonely  
lying in bed  
night's closed its eyes  
but you can't rest your head  
everyone's sleeping, all through the house  
you wish you could dream  
but forgot to somehow  
sing this lullaby to yourself  
sing this lullaby to yourself  
And if you are waiting  
waiting for me  
know I'll be home soon, darling, I guarantee  
I'll be home Sunday, just in one week  
dry up your tears if you start to weep  
and sing this lullaby to yourself  
sing this lullaby to yourself  
lullaby, I'm not nearby, sing this lullaby to yourself  
don't you cry, no, don't you cry  
sing this lullaby to yourself  
'cause when I arrived here, it won't be that long  
no, it won't seem like any time that I've been gone  
it ain't the first time, it won't be the last  
won't you remember this words to help the time pass?  
so when you're so lonely  
lying in bed  
night's closed its eyes but you can't rest your head  
everyone's sleeping, all through the house  
you wish you could dream  
but forgot to somehow  
sing this lullaby to yourself  
sing this lullaby to yourself  
sing this lullaby  
sing this lullaby  
sing this lullaby to yourself
