

# Giving Her the Grind (feat. Sean Paul)

## Nelly & Sean Paul

[\*\* feat. Sean Paul:]  
The wrong side to be\*  
I feel empty,  
Try to call me on the phone, call me on tonight,  
Tell me that she'll never let me go,  
She worries all the time,  
I'm gonna be giving her the grind,  
Giving her the grind,  
I'm properly dealing with a body, so...  
I just got a late text, stopping you the late text,  
Practicing on your safe sex world.  
Cause...  
Please believe that the minute that I see that girl,  
... and I can't really wait so long.  
Text messages and e-mails,  
Leaving little voice mails,  
She shouldn't ring my phone.  
I say, come over!  
Come over!  
I'm doing a...  
Shorty bring in the...  
Hang up the phone, open the door!  
[Chorus:]  
Call me on the phone; call me on tonight,  
Tell me that you'll never let me go,  
She'll worry all the time,  
I'm gonna be giving her the grind,  
Giving her the grind,  
I'm properly dealing with a body, so...  
Call me on the phone; call me on tonight,  
Tell me that you'll never let me go,  
She'll worry all the time,  
I'm gonna be giving her the grind,  
Giving her the grind,  
I'm properly dealing with a body, so...It must be, the girls are over easy,  
And seek for a spark with the...  
Oh girl!  
And girl, I'll give to... I'll be your friend,  
I know you're coming back again,  
Now one of us is got me caught up,  
Overrating your body, baby  
You know that I've got my routine,

You're my queen,

Call me on the phone; call me on tonight,  
Tell me that you'll never let me go,

I'm gonna be giving her the grind,  
Giving her the grind,  
I'm properly dealing with a body, so...  
Call me on the phone; call me on tonight,  
Tell me that you'll never let me go,  
She'll worry all the time,  
I'm gonna be giving her the grind,  
Giving her the grind,  
I'm properly dealing with a body, so... Hey oh, Shorty call me a nigger,  
Looking for that nigger,

Tell me when I'm...  
Now the niggers be in their four...

She'll worry all the time,  
I'm gonna be giving her the grind,  
Giving her the grind,  
I'm properly dealing with a body, so...  
Tell me that you'll never let me go,  
She'll worry all the time,  
I'm gonna be giving her the grind,  
Giving her the grind,  
I'm properly dealing with a body, so
