

# Lover's Thing (feat. The Dream)

Ciara

Ay a ay ooh a  
Ay ooh yeah  
Oh yeah Ciara That's me...  
The dreamer  
The-Dream... Ohh yeah, ohh  
Baby... Wanna say come over, but I told you that it's over  
How much pain can my heart take? Ohh yeah  
And well, I wish that you were closer  
So I can love over, over again...  
Today I may have lost my friend  
(Girl...)  
You, you are my baby  
I can't just let you leave  
I'm caught up in this lover's thing It's love, and that I can't deny  
Won't even start to lie  
I'm caught up in this lover's thing  
Baby you... Baby (ay) baby (ay)  
Baby (ay) baby  
Baby (ay) baby (ay)  
Baby (ay) baby  
Baby (ay) baby (ay)  
Baby (ay) baby  
Baby (ay) baby Girl, take back your decision  
And paint me back in your picture  
I'm calling on your phone girl  
You keep sending me straight to voicemail  
Now why ain't he persistent  
I'm sure by now he misses this  
Calling on the phone, you won't answer my call And you, you are my baby  
I can't just let you leave  
I'm caught up in this lover's thing Yeah, it's love, and that I can't deny  
Won't even start to lie  
I'm caught up in this lover's thing Baby baby  
Baby (ay) baby (ay)  
Baby (ay) baby  
Baby (ay) baby (ay)  
Baby (ay) baby  
Baby (ay) baby (ay)  
Baby (ay) baby  
Baby (ay) baby... yeah I meant it and she know that I love her  
Ohh and he knows that I care  
Will you ever forgive me Hey love, are you there Boy you, you are my baby

And I can't just let you leave  
I'm caught up in this lover's thing It's love, and that I can't deny  
Won't even start to lie  
I'm caught up in this lover's thing
