

# No King No Princess

## Field Music

I'm not a king and you're not a princess  
And this is not the time to stand around looking pretty  
I'm not a kid and you're not a baby  
There's always something more to cry about  
When you think of it  
There isn't only one way to be a girl  
You can paint it how you want  
And you can dress up how you want  
And you can do the job you want  
And you can do it, do it, do it I'm not a saint and you're not just a picture  
And this is not the time for you to shut your mouth, no  
I'm not your boss and you're brother's not a soldier  
Whatever people tell you two to assume...  
You don't have to  
There's isn't only one way to be a boy  
You can paint it how you want  
And you can dress up how you want  
And you can do the job you want  
And you can do it, do it, do it
