

# Strangers (feat. Lauren Jauregui)

## Halsey

[Verse 1: Halsey]

She doesn't kiss me on the mouth anymore  
'Cause it's more intimate, than she thinks we should get  
She doesn't look me in the eyes anymore  
Too scared of what she'll see, somebody holding me[Pre-Chorus: Halsey]  
When I wake up all alone  
And I'm thinking of your skin  
I remember, I remember what you told me[Chorus 1: Halsey & Lauren Jauregui]  
Said that we're not lovers, we're just strangers  
With the same damn hunger  
To be touched, to be loved, to feel anything at all  
We're not lovers, we're just strangers  
With the same damn hunger  
To be touched, to be loved, to feel anything at all

[Verse 2: Lauren Jauregui]

She doesn't call me on the phone anymore  
She's never listening, she says it's innocent  
She doesn't let me have control anymore  
I must've crossed a line, I must've lost my mind[Pre-Chorus: Halsey]  
When I wake up all alone  
And I'm thinking of your skin  
I remember, I remember what you told me[Chorus 1: Halsey & Lauren Jauregui]  
Said that we're not lovers, we're just strangers  
With the same damn hunger  
To be touched, to be loved, to feel anything at all  
We're not lovers, we're just strangers  
With the same damn hunger  
To be touched, to be loved, to feel anything at all

[Bridge: Halsey, Lauren Jauregui & both]

I miss the mornings with you laying in my bed  
I miss the memories replaying in my head  
I miss the thought of a forever, you and me  
But all you're missing is my body, oh[Chorus 2: Halsey, Lauren Jauregui & both]  
Said we're not lovers (we're not lovers)  
'Cause we're just strangers  
With the same damn hunger  
To be touched, to be loved, to feel anything at all  
We're not lovers, we're just strangers  
With the same damn hunger  
To be touched, to be loved, to feel anything at all (anything)[Outro: Halsey, Both]  
To feel anything at all  
To feel anything at all
