

Don't Go Breaking My Heart

Backstreet Boys

I got mixed emotions
Did I finally find a river that could me out to the ocean
Cause I've only ever known the kinda love that leaves
You battered and broken
So, forgive me for my mixed emotions
Yeah, yeah I'm not that kind of person who can
Fall in and out of love with you
That's not what love's supposed to do I'm not that kind of person who can
Fall in and out of love with you
That's not what love's supposed to do
Baby, don't go breaking my heart,
(breaking my heart)
Baby, don't go breaking my heart,
(breaking my heart)
Cause it's the only one I got
Cause it's the only one I got Am I being too open?
Cause I told you everything
I have to say and now we're having a moment
Does it make you wanna pack up all your things
And drive away like you stole it?
Just forgive me if I'm being too open
No no no no,
yeah yeah I'm not that kind of person who can
Fall in and out of love with you
That's not what love's supposed to do
I'm not that kind of person who can
Fall in and out of love with you
That's not what love's supposed to do Baby, don't go breaking my heart,
(breaking my heart)
Baby, don't go breaking my heart,
(breaking my heart)
Cause it's the only one I got
Cause it's the only one I got Baby, don't go breaking my heart,
(breaking my heart) Baby, don't go breaking my heart,
(breaking my heart) Cause it's the only one I got
Cause it's the only one I got I've been broken
I've been bruised
But now I'm all in cause of you
So, if you're gonna love me
Love me right, yeah
But if you're gonna be someone
That hurts somebody just for fun

Then, do it to a heart that isn't mine
Baby, don't go breaking my heart,
 (breaking my heart)
Baby, don't go breaking my heart,
 (breaking my heart)
Cause it's the only one I got, yeah yeah
Cause it's the only one I got
Baby, don't go breaking my heart,
 (breaking my heart)
Baby, don't go breaking my heart,
 (breaking my heart)
Cause it's the only one I got
Cause it's the only one I got
Cause it's the only one I got
Baby, don't go
