Don't Think Twice, It's All Right

Bob Dylan

It ain't no use to sit and wonder why, babe
It don't matter, anyhow
And it ain't no use to sit and wonder why, babe
If you don't know by now
When your rooster crows at the breaks of dawn
Look out your window and I'll be gone
You're the reason I'm traveling onDon't think twice, it's all rightIt ain't no use in turning on your light, babe
That light I never knowed
And it ain't no use in turning on your light, babe
I'm on the dark side of the road
But I wish there was somethin' you would do or say
To try and make me change my mind and stay
We never did too much talking anyway
So don't think twice, it's all rightIt ain't no use in calling out my name, gal
Like you never done before
It ain't no use in calling out my name, gal
I can't hear you any more
I'm a-thinking and a-wond'rin' walking down the road
I once loved a woman, a child I'm told
I give her my heart but she wanted my soulDon't think twice, it's all right
So long honey, babe
Where I'm bound, I can't tell
Goodbye's too good a word, babe
So I'll just say fare thee well
I ain't saying you treated me unkind
You could have done better but I don't mind
You just kinda wasted my precious timeBut don't think twice, it's all right
