

Until You Were Gone (feat. Esmée Denters)

Chipmunk

Oh whoa oh oh oh oh oh oh
Oh whoa oh oh oh oh oh oh (C.M.)
Oh whoa oh oh oh oh oh oh
Oh whoa oh oh oh oh oh oh
CheckIf I had all the money in the world
I still couldn't buy me a brand new girl (you can't buy love)
Too much clubbing, not enough loving
Too much shopping, too busy chasing the skrilla
And know look i lost me a winner
Sitting there singing this song like
You never know what you've got 'til it's gone like
Damn, I wish I would've seen it coming
Cause I blink for a second and you caught me slipping, Oh, Oh, Oh
Now we're done before we even started
Didn't know how much I missed you
(Didn't know how much I would miss you
I messed up the perfect picture)
Until You Were Gone, gone, gone
Until You Were Gone, gone, gone
Until You Were Gone, gone, gone
I didn't know how much I missed you
Oh whoa oh oh oh oh oh oh
Oh whoa oh oh oh oh oh-ohLet me go, Yeah
And look still I'm here
She left me with no idea
I just don't get it, it's kinda weird
How you took off quicker than my career. it's kinda rare
For a man to admit when he's in the wrong
Still can't do it, I just put it in a song
So don't correct me, I know that I'm wrong
(I just need love)
I'm too stuck in my ways,
And I know this ain't helping me change
And I'm sitting here singing this song like
You never know what you've got 'til it's gone likeDamn, I wish I would've seen it coming
Cause I blink for a second and you caught me slipping, Oh, Oh, Oh
Now we're done before we even started
Didn't know how much I missed you
(Didn't know how much I would miss you
I messed up the perfect picture)
Until You Were Gone, gone, gone
Until You Were Gone, gone, gone

Until You Were Gone, gone, gone
I didn't know how much I missed you
Oh whoa oh oh oh oh oh oh
Oh whoa oh oh oh oh oh-oh (Whoa) Let me go, Yeah I'm too stressed and I'm trying not to flip
I close my eyes and you're inside my lids
So I try not to blink for one split sec
Cus showboating, and got my ship wrecked
Since you left, nothing ain't right
Two different waves, we have to part tides
I had a long sighted vision, It ain't the same with you missing
Didn't know how much I missed you until you were gone, gone, gone Until you were gone,
gone, gone
Until you were gone, gone, gone
until you were gone, gone, gone I didn't know how much I missed you
(Didn't know how much I would miss you
I messed up the perfect picture) Damn, I wish I would've seen it coming
Cause I blink for a second and you caught me slipping, Oh, Oh, Oh
Now we're done before we even started
I didn't know how much I missed you Until you were gone, gone, gone
Until you were gone, gone, gone
Until you were gone, gone, gone I didn't know how much I missed you
(Didn't know how much I would miss you
I messed up the perfect picture)
