

# Go Hard (feat. Kanye West, T-Pain)

DJ Khaled

I think it's time for me to go hard as the hood I'm from  
I think it's time for me to go hard as the hood I'm from  
I think it's time for me to go hard as the hood I'm from  
I think it's time for me to go hard as the hood I'm from I do it for the hood 'cause the hood told  
me I could If the they ain't run, you don't stress  
Tell them niggas that we the best Fuck the best, we run this game  
Kanye West, Khaled and Pain  
If you could, you would get rid of me  
What you gonna do when a nigga got to go hard  
But I won't let you get to me  
You should already thinkin I'm-a go hard  
If you were as real as me  
You would never let another nigga step in yo' yard  
Makin' money ain't shit to me  
This in my veins and it gets to my heart  
So I am, I will, I gots to go  
You got another way to live, you gots to go on  
I am gettin' it in until the end  
I got to go, go, go, go hard  
I go the hardest  
Flow so retard  
I'm disgusted with myself  
I mean, ughh, where do I start?  
First I stand around and vomit  
Then I shit up on it  
Fuck the beat up so bad  
Won't nobody get up on it  
I flow so sick  
Nigga, how sick  
Sea sick  
Got your hand out, don't look at me, bitch  
You lookin' at who made me rich  
You lookin' at who made me rich  
I have some wins, some losses  
Just a life of a goddamn boss's with the top off  
Lookin' for a girl with a ass as fat as tracy roslet[? ]  
This is no bad as it get  
Dope as a motherfuckin' acid trip  
Fly as 57 passengers  
This finna be another classic bitch  
Everybody know I got if you want it then get at it  
But I ain't gon' have

No, I ain't gon' have it If you could, you would get rid of me  
What you gonna do when a nigga got to go hard?  
But I won't let you get to me  
You should already thinkin' I'm-a go hard  
If you were as real as me  
You would never let another nigga step in yo' yard  
Makin' money ain't shit to me  
This in my veins and it gets to my heart  
So I am, I will, I gots to go  
You got another way to live, you gots to go on  
I am gettin' it in until the end  
I got to go, go, go, go hard I ain't ever been scurred  
Never been a type to bite my words  
When I came up, y'all gave me shit  
Now I'm finna make y'all eat them turds  
Always said what the fuck I felt  
Gon' head spit that murder I wrote  
Man, I don't care what you felt  
Fuck you, nigga, I know I'm dope  
Dope like I'm comin' to get my all  
Felt like I had to play the fly on the wall  
Felt like niggas was stuntin' on me  
Funny how I'm flyer than them all  
Now I'm at the top, ain't nowhere to go now  
Instead of me, she gon' go down  
Maybe I would've slowed down if I knew what I knew now  
I'm scooby, I know I'm dumb  
It could get fuckin' old but it's good, I'm young  
But my heart get cold as the hood I'm from  
Tell me what it take to be number one  
I guess it's gon' be what it's gon' be  
But here's one thing you got to hear  
I'm-a tell you like George Bush told me  
Fuck y'all niggas, I'm out of here If you could, you would get rid of me  
What you gonna do when a nigga got to go hard?  
But I won't let you get to me  
You should already thinkin' I'm-a go hard  
If you were as real as me  
You would never let another nigga step in yo' yard  
Makin' money ain't shit to me  
This in my veins and it gets to my heart  
So I am, I will, I gots to go  
You got another way to live, you gots to go on  
I am gettin' it in until the end  
I got to go, go, go, go hard
