

# Promise Ring

Tiffany Evans

To the B, to the B, to the B 'cuz I need  
Everybody to the floor, why? 'Cuz this beat is sick, yeah  
It's time to rock, uh, that's what it is  
Tiffany's her name, love is the game  
And the only way to play is with this promise ring Sometimes a girl needs to know that she's  
Appreciated for all the things she does  
With some sorta token of love  
'Cuz without it her young heart won't know And right then to my surprise, he  
Pulled out a small velvet box, pink ribbon tied  
I'm wondering what's inside  
He opened it and then he replied  
He said, I promise not to hurt you, I promise not to lie  
I promise to befriend you and defend you with my life  
I promise you forever, I promise you today, he said  
Would you wear my promise ring? I said yes If ya break ya promise we breakin' up  
Got a couple things that I want  
Walks in the park and sweet things  
If I rock your promise ring I could be your pretty young thing  
You could become my king  
I gotta know you got me  
Yes, I'll rock your promise ring Yes, I'll rock your promise, promise, promise ring  
Yes, I'll rock your promise, yes, I'll rock your promise ring  
Yes, I'll rock your promise, promise, promise ring  
Yes, I'll rock your promise, yes, I'll rock your promise ring  
How in the world could a girl say no?  
I knew it the moment he made my finger glow  
It was good to know I'm who he chose  
It was your heart he felt now it shows, now it shows You know when you see me floss  
No way it's gon' get lost, I'll never take this off  
I'm older and they call me by your name  
I'll wear it on a chain, because I can hear you say He said I promise not to hurt you, I promise  
not to lie  
I promise to befriend you and defend you with my life  
I promise you forever, I promise you today, he said  
Would you wear my promise ring? I said yes If ya break ya promise we breakin' up  
Got a couple things that I want  
Walks in the park and sweet things  
If I rock your promise ring I could be your pretty young thing  
You could become my king  
I gotta know you got me  
Yes, I'll rock your promise ring Yes, I'll rock your promise, promise, promise ring  
Yes, I'll rock your promise, yes, I'll rock your promise ring

Yes, I'll rock your promise, promise, promise ring  
 Yes, I'll rock your promise, yes, I'll rock your promise ring Everybody get up and rock to this  
 beat  
 My name is Tiffany and y'all know me  
 All my girls with me, all the boys like me  
 Come correctly with the promise ring  
 And you just might be my boo, my boo Promise that you'll never let me go and boy I'll  
 Boy I'll wear your promise ring  
 All you have to do is say the word and boy I'll  
 Boy I'll wear your promise ring Just let me know, just let me know, what I gotta do?  
 Just let me know, just let me know  
 You ain't goin' nowhere, I ain't goin' nowhere  
 I'll be on for sure but you gotta know that If ya break ya promise we breakin' up  
 Got a couple things that I want  
 Walks in the park and sweet things  
 If I rock your promise ring I could be your pretty young thing  
 You could become my king  
 I gotta know you got me  
 Yes, I'll rock your promise ring Yes, I'll rock your promise, promise, promise ring  
 Yes, I'll rock your promise, yes, I'll rock your promise ring  
 Yes, I'll rock your promise, promise, promise ring  
 Yes, I'll rock your promise, yes, I'll rock your promise ring If I rock your promise ring  
 Young thing, my king
