

Drowning (feat. Kodak Black)

A Boogie wit da Hoodie

I'm drownin'
I'm drownin'
I'm drownin'

I'm drownin' Wrist so icy, wonder why she like me, bitch I'm drownin'
In water, I just bought a Cuban, dipped it in a fountain
Everywhere that I go it's a light show, I'm surrounded
Bust down, bust down, bust down, bust down, bust down, bitch I'm drownin'
I just bought a Cuban ring and dipped it in a fountain
Chain so heavy I feel like I'm holdin' up a mountain
Everywhere that I go it's a light show, I'm surrounded Bust down, bust down, bust down, bust
down, bust down, bitch I'm drownin'

I'm with all my niggas, I don't go nowhere without 'em
If they don't let us in they might throw shots at the bouncer
Actavis medicine, got it straight from out the doctor's
I'm with RJ but I call him Wayne 'cause he's a shotta
Pick up the ladder, put it in the gun, make the 9 stretch
Niggas with attitude, but we come straight out of Highbridge
I'm gon' make her panties wet when she see the way I flex
I'm gon' win a Grammy, move my family out the projects
We went from chillin' in the projects to makin' projects
We was tryna get to the top, and they tried to stop us I talk for myself, bitch I don't need no
fucking voucher

She looked at my wrist and she looked at a hundred thousand Wrist so icy, wonder why she like
me, bitch I'm drownin'

In water, I just bought a Cuban, dipped it in a fountain
Every where that I go it's a light show, I'm surrounded
Bust down, bust down, bust down, bust down, bust down, bitch I'm drownin'
I just bought a Cuban ring and dipped it in a fountain
Chain so heavy I feel like I'm holdin' up a mountain
Everywhere that I go it's a light show, I'm surrounded
Bust down, bust down, bust down, bust down, bust down, bitch I'm drownin' Just bought a
brand new chain from Avianne

Nigga with attitude but I ain't from Compton
Lil Kodak bitch I'm Polo'd down like Carlton
Sniper Gang I put a nigga on a carton
I'm the shit I'm fartin', I don't know how to potty
Pull up in a 'Rari, I'm in the Yo like Gotti
A Boogie, I'm goin Scottie, nigga drop my deposit
I ain't Jamaican, bitch I'm Haitian, but I got them shottas Harley Davidson every day, I'm ridin'
with the chopper

They hatin', I know they don't wanna see a nigga prosper
I ain't doing trims, I'm in the cut like I'm a barber

She call me daddy, but I ain't her motherfucking father
Wrist so icy, wonder why she like me,
bitch I'm drownin'
In water, I just bought a Cuban, dipped it in a fountain
Every where that I go it's a light show, I'm surrounded
Bust down, bust down, bust down, bust down, bust
down, bust down, bitch I'm drownin'
I just bought a Cuban ring and dipped it in a fountain
Chain so heavy I feel like I'm holdin' up a mountain
Everywhere that I go it's a light show, I'm surrounded
Bust down, bust down, bust down, bust down, bust down, bitch I'm drownin'
Bitch, I'm drownin'
Bitch, I'm drownin'
I'm drownin'
I'm drownin'
I'm drownin'
