

Try My Love

Jeremy Jordan

Ooh, ah, ooh ah ooh, ooh, ah
Oo-oooh, ah, ooh ah ooh, ooh, ah
Oh, come on baby, just try my love Yeah yeah yeah
Oh baby, I know that you get down many times before
And it seems it's like you're headin' for one more
No, I'm not trying to lyin' on you, baby
So give me the chance to prove that, all you have to do is Try my love, try my love
Try my love, baby
Yeah yeah, try my love, hmm
Try my love, baby, ooh, try my love, come on Oh baby, don't waste your time, thinkin' that I'm
gonna do ya
'Cause I truly want, you know that I'm into ya
I know it's hard for you to believe someone new, oh baby, yeah baby
I bet you gotta start somewhere, yeah, no matters what we hear
Try my love, try my love
All you have to do is try
Try my love
I'll turn your love around me Baby, I know that you've loved many times before
That you spent many nights alone
But if you try my love baby
I'll never let you down because Oh baby, I adore you
And my love is true
All you got to do is adjust
Give me a play, baby Oh girly, reach out now to me, oh baby, I won't let you down
I'm gonna turn your love around, sugar, everything will be alright
Maybe we'll talk tonight, yeah, I won't let you down, my love
Baby, I just wanna let you know, my love, sugar, it's good to go
I can, oh, give you the love that you need
And don't you worry baby, 'cause I will never leave
I promise baby, I adore you, come on baby
