

# Kinda Crazy

Selena Gomez

Hey  
You started out sweeter than hard candy  
Words were like licorice to the taste  
But slowly, all the sugar, it went to waste  
Went to waste Oh  
You started getting funny with no jokes  
I started seeing through you like a ghost  
And now I'm pretty sure I can't take no more  
I can't take no more, oh  
I think you're kind of crazy  
And not the good kind, baby  
'Cause you're acting super shady  
You know it, you know it  
Been dodging phone calls lately  
But still texting me, baby  
Yeah, I think you're kind of crazy  
You know it, you know it You've been lying just for fun  
Luckily no damage done  
But now I see you're kind of crazy  
You know it, you know it Oh-hoh  
Oh-hoh, hmm-hmm  
Oh-hoh  
Oh-hoh, hmm-hmm  
Hey  
You're the one who started talkin' to me  
Made the move, asked me to be your bae  
And now you're treating me like I'm insane  
You're insane I think you're kind of crazy  
And not the good kind, baby  
'Cause you're acting super shady  
You know it, you know it  
Been dodging phone calls lately  
But still texting me, baby  
Yeah, I think you're kind of crazy  
You know it, you know it You've been lying just for fun  
Luckily no damage done  
But now I see you're kind of crazy  
You know it, you know it Oh-hoh  
Oh-hoh, hmm-hmm  
Oh-hoh  
Oh-hoh, hmm-hmm Yeah-yeah, ay, ay  
Hey-ey-yeah, yeah-yeah

Hey, yeah I think you're kind of crazy  
And not the good kind, baby  
'Cause you're acting super shady  
You know it, you know it  
Been dodging phone calls lately  
But still texting me, baby  
Yeah, I think you're kind of crazy  
You know it, you know it Oh-hoh  
Oh-hoh, hmm-hmm  
Oh-hoh  
Oh-hoh, hmm-hmm
