

# Jennie (feat. R. City & Bori)

Felix Jaehn

Jennie, talk to me, Jennie  
You make me go crazy  
You know you can't say is no  
Meanwhile no problems  
Me tarin be one of your my name  
All your girlfriend name call 'em (...)  
And I see them (...)  
I get played cause I was just hunting  
Come take my number and hit me  
Cell phone ring  
Get 'em on the line  
Pull up on again, come true tonight  
You about a ting, you know see a time  
Girl come for a ride  
Up on my roller coaster  
Jennie, talk to me, Jennie  
You make me go crazy  
And all you can say is no  
Jennie, talk to me, Jennie  
You make me go crazy  
And now you can say is no  
Jennie, talk to me, Jennie  
You make me go crazy  
And all you can say is no  
Meanwhile no problems  
Me tarin be one of your my name  
All your girlfriend name call 'em (...)  
And I see them (...)  
I get played cause I was just hunting  
Come take my number and hit me in my name  
Cell phone ring  
Get 'em on the line  
Pull up on again, come true tonight  
You about a ting, you know see a time  
Girl come for a ride  
Up on my roller coaster  
Jennie, talk to me, Jennie  
You make me go crazy  
You know you can't say is no  
Jennie, talk to me, Jennie  
You make me go crazy  
And all you can say is no  
Jennie  
Jennie, talk to me, Jennie  
You make me go crazy  
And all you can say is no, no, no  
Why do we fight then falls

All night and day oh-eh-oh-eh  
We should be making some love  
Come right my way oh-eh-oh-eh  
If we can go back and forth  
We'll get no play oh-eh-oh-eh  
Girl come lend me all your clothes  
Rub up oh-eh-oh-eh-oh-eh-oh-ehJennie, talk to me, Jennie  
You make me go crazy  
And all you can say is no  
Jennie, talk to me, Jennie  
You make me go crazy  
And now you can say is no  
Jennie, talk to me, Jennie  
You make me go crazy  
And all you can say is no
