

Are You Lonely (feat. ISÁK)

Steve Aoki & Alan Walker

I know that you're calling me
To light up and let the shadow
It follows you underneath I know that you're calling me I don't wanna play it safe
'Cause I don't get down like that
Just keep falling into me
I know I got your back Are you lonely
Are you lonely
Are you lonely
I'll stand by you
I'll stand by you
Are you lonely
Are you lonely
Are you lonely
I'll stand by you
I'll stand by you Who ever said it was easy
They never know or do
Oh when these walls fall down
I'll stand by you
What you believe in
I'll give it to you
'Cause when these walls fall down
I'll stand by you Are you lonely
Are you lonely
Are you lonely
I'll stand by you
I'll stand by you
Are you lonely
Are you lonely
Are you lonely
I'll stand by you
I'll stand by you
