Tell ya daddy stop his hating
Cuz I be wearing braids and rockin jerseys daily
But that dont mean im thuggin though
He dont want me with ya
But I aint tryna hear it though
Not tryna hear it though But I know that if he knew ya
He would understand ya
Know that your my man and
you would never hurt me no
Let me come and see you
So that we can be alone, alone
(Baby I know a place that we can go and be alone)
As long as you make sure that you safely get me home
