

Venus

Lady Gaga

Rocket number nine, take off to the planet, to the planet Venus
Aphrodite lady, seashell bikini, garden panty, Venus
Let's blast off to a new dimension, in your bedroom, Venus
Aphrodite lady, seashell bikini, get with me, Venus I can't help the way I'm feeling
Goddess of love, please take me to your leader
I can't help, I keep on dancing
Goddess of love, Goddess of love Take me to your planet (to the planet)
Take me to your planet (to the planet)
Take me to your leader (to the planet)
Your leader, your leader (to the planet) Take me to your planet (to the planet)
Take me to your planet (to the planet)
Take me to your Venus (to the planet)
Your Venus, your Venus (to the planet)
When you touch me, I die just a little inside
I wonder if this could be love, this could be love
'Cause you're out of this world, galaxy, space and time
I wonder if this could be love (Venus) Have an oyster, baby, it's aphrod-i-sy
Act sleazy, Venus
Worship to the land, a girl from the planet
To the planet (to the planet) I can't help the way I'm feeling
Goddess of love, please take me to your leader
I can't help, I keep on dancing
Goddess of love, Goddess of love Take me to your planet (to the planet)
Take me to your planet (to the planet)
Take me to your leader (to the planet)
Your leader, your leader (to the planet)
Take me to your planet (to the planet)
Take me to your planet (to the planet)
Take me to your Venus (to the planet)
Your Venus, your Venus (to the planet) When you touch me, I die just a little inside
I wonder if this could be love, this could be love
'Cause you're out of this world, galaxy, space and time
I wonder if this could be love, this could be love Wonder if this could be love, this could be...
Goddess of love
Wonder if this could be love, Venus Neptune, go
Now serve, Pluto
Saturn, Jupiter, Mercury, Venus, uh ha
Uranus, don't you know my ass is famous?
Mars, now serve for the gods
Earth, serve for the stars When you touch me, I die just a little inside
I wonder if this could be love, this could be love
'Cause you're out of this world, galaxy, space and time

I wonder if this could be love, this could be love Wonder if this could be love, this could be...

Goddess of love

Wonder if this could be love

Venus
