

Chocolate Strawberries

Cherub

Chocolate strawberries with a, vanilla smoothies
We watched, some dirty movies, made love
Yeah it was groovy, baby it was groovy
Had her singing ooh wee, ah ah ah whoo! You like fast cars and, I like fast broads yeah
nomadic track form girl, the world could be our's
and, you know it. it's up to you! You sip on your wine, while I smoke my cigar yeah
I'm too drunk to drive so, I powdered my nose and depart
Now I'm invincible...

We watched, some dirty movies and made love,
yeah it was groovy! Had her singing ooh wee, ooh wee, yeah, yeah You won't use my 5 and this
20 won't do cuz,
you say it's bad luck but, I get the clue
You're too bougie. Ah ah. So this hundred will do. Oh uhh oh. enjoy this night girl... It won't
last forever.

Yeah life treats you good but, my life treats you better
and you know it, yeah yeah, so cherish the view.
cause it's all Beautiful...
