

# Machine Gun Kelly

James Taylor

I'll tell you 'bout Machine Gun Kelly  
he rode along the outlaw trail  
Machine Gun Kelly was a simple man  
But the woman was as hard as hell(Chorus)  
Watch out Machine Gun  
Don't let her run you 'round  
Don't let a woman put you six feet in the ground  
Machine Gun  
I'll tell you 'bout Katherine Kelly  
Tired of being such small time  
Figured they'd kidnap a rich man's son  
And make it in the world of crime- Chorus -You'd better watch out Machine Gun Kelly  
Careful of what you do now  
If you keep listening to your old lady  
Ain't no telling what'll happen to you now  
Machine GunThe government boys they came for Machine Gun  
And took the poor boy away  
They stuck him in a hole in Leavenworth prison  
Where he lived until his dying day  
Watch out Machine Gun  
Don't let her put you down  
Don't let a woman make you out to be a clown  
Machine GunWatch out Machine Gun
