

# Silence

## Jars of Clay

Take, Take 'til there's nothing  
Nothing to turn to  
Nothing when you get through  
Won't you break?  
Scatter pieces of all I've been  
Bowling to all I've been  
Running to  
Where are you?  
Where are you? Did  
Did you leave me unbreakable?  
You leave me frozen  
I've never felt so cold  
I thought you were silent  
And I thought you left me  
For the wreckage and the waste  
On the empty beach of faith  
Was it true?  
'Cause I  
I got a question  
I got a question  
Where are you? Scream  
Deeper I wanna scream  
I want you to hear me  
I want you to find me  
'Cause I, I want to believe  
But all I pray is wrong  
And all I claim is gone And I  
I got a question  
I got a question  
Where are you?  
Yeah, yeah  
Well, I  
I got a question  
I got a question  
Where are you?  
Where are you?  
Where are you?  
Where are you?
