

# Can't Get Over You

## Maze

I know I bought it on myself  
I owe no blame to no one else  
And now I realize  
I can't get over you  
And though I do my very best  
I just can't find happiness  
And it's all because  
I can't get over you  
Hey baby why oh why  
Thinking of you makes me cry  
Matter how I try  
I'm gonna love you bye and bye  
Bye and bye baby  
Ooh ooh ooh  
Ooh ooh ooh  
I don't know what to do I  
Can't get over you  
I guess you'll always have a part  
Somewhere deep in my heart  
It's just too hard to hide  
I can't get over you  
I tried to lose myself in song  
But the ties are much too strong  
What I'm I going to do  
I can't get over you  
It makes feel so bad  
Messin' up the love we had  
There's one thing I know  
I will always love you so  
Love you so baby Ooh ooh ooh  
Ooh ooh ooh  
I can't get over you  
I can't get over you  
I can't get over you  
I can't get over you
