

# Run Away

Leighton Meester

You came around makin' me feel so sweet  
You make me fall hard  
You made me wanted it nothing more  
And you make me say "Oh my God"  
But lately I'm finding  
We need some reminded  
Runaway  
Come with me  
Runaway into our past  
Runaway  
Let's figure out  
All we've had and all we've lost  
If only we'd try  
... give for anyone...  
... stay by your side  
But maybe  
... stranger  
But baby, we'll make it  
Runaway  
Come with me  
Runaway into our past  
Runaway  
Let's figure out  
All we've had and all we've lost  
Let's try...  
You've got to try  
Runaway  
Come with me  
Runaway into our past  
Runaway  
Let's figure out  
All we've had and all we've lost  
Runaway  
Come with me  
Runaway into our past  
Runaway  
Let's figure out  
All we've had and all we've lost
