

# That's It (feat. Gucci Mane & 2 Chainz)

Bebe Rexha

It's Bebe  
Gucci  
Murda

Murda on the beat so it's not nice That's it, that's it, that's it, that's it  
That's it, that's it, that's it, that's it  
That's it, that's it, that's it, that's it  
That's it, that's it What you looking at is the real, ain't nothing on me plastic  
YSL up on my heels, I be stoppin' traffic  
You been looking at my ass, damn that thing Jurassic  
That's it, that's it, that's it, that's it  
I been ridin' through the West dodging paparazzi  
Diamonds drippin' on my neck, I be saucy saucy  
Damn I'm dressed fresh to death, stepping out the coffin  
That's it, that's it, that's it, that's it  
I'm on the top  
Don't even get me started 'cause I don't like to stop  
Too bad bitch just wanna say that she just wanna watch  
I hope she know she licking that a whole lotta [?]  
This bitch so bad that she deserve a whole lot of props  
If he ain't gettin' money, she ain't even gon' talk  
[?], fuck  
She let her call me daddy, I treat her like paps  
It's Gucci That's it, that's it, that's it, that's it  
That's it, that's it, that's it, that's it  
That's it, that's it, that's it, that's it  
That's it, that's it  
That's it, that's it, that's it, that's it  
That's it, that's it, that's it, that's it  
That's it, that's it, that's it, that's it  
That's it, that's it  
Multicolour [?], with the swimming fishes  
Motherfucker I'm a star, I don't do no dishes  
I don't never speak or talk, all you basic bitches  
That's it, that's it, that's it, that's it  
[?], that's a lot of vicious  
Barbies from New York, I hail outta Brooklyn  
That's why all eyes on you, I see you looking  
That's it, that's it, that's it, that's it 2 Chainz  
I like my coffee cold, like my women hot  
I like my [?], like my card drop  
Cause [?] I don't even have [?]  
Yeah, shawty look kinda cute

But her friend there looking kinda cuter  
I was on my Macbook computer  
Trying to go through the whole Kama Sutra  
ID, ID  
That's it, that's it  
Mattress, passion, satisfaction  
Aw  
That's it, that's it...
