

Seal Me With a Kiss (feat. De La Soul)

Jessie J

I ain't gon' lie
If I just got one chance
With you tonight
Then baby we would dance
Until it's light
Romance is in the plansGO!Ladies and Gentleman
Boys and Girls
Do understand this is not just your average girl
From around the way, It's...JJ J J J J JESSIE J
Look at you over there
You know how to make me go
Wild, Wild, Wild,
W-Wild, Wild, Wild
Wanna do something that makes me crazy
Oh I want you right
Now, Now, Now
N-Now, Now NowTake me, Love me with your lips,
Baby, Seal me with a kiss
W-W-W-With a kiss
Seal me with a kiss
W-W-W-With a kiss
Seal me with a kissLook at you sexy coo,
Read my mind I want us to go
Down, Down, Down
D-Down, Down, Down
It's just us two
So make your move
Just me and you
There ain't no rules
Allowed, llowed, llowed
Allowed, llowed, llowedNo good at lying, I'm excited
Baby for you to come and...Take me, Love me with your lips,
Baby, Seal me with a kiss
W-W-W-With a kiss
Seal me with a kiss
W-W-W-With a kiss
Seal me with a kissHave you actually had the audacity to think
You could strut past me with our lips trying to link
We know the lip service gets them
Tingling and nervous system
Every spot of ink on your legs and arms
Is all mine to charm and I plan to be in it

From every second of the minute
Miss Independent like wrecking contracts
To contacts of lips is normal
The eclipse, the moon as soon as eyes clash
We strum at new tune makes myself fall knee deep into song
Girl you know I can't sleep till I poke
Don't threat, come and creep with a bloke,
LET'S GOOh I ain't gon' lie
If I just got one chance
With you tonight
Then baby we would dance
Until it's light
Romance is in the plansAll you gotta do is just
Be brave enough to come outTake me, Love me with your lips,
Baby, Seal me with a kiss
W-W-W-With a kiss
Seal me with a kiss
W-W-W-With a kiss
Seal me with a kissTake me, Love me with your lips,
Baby, Seal me with a kiss
W-W-W-With a kiss
Seal me with a kiss
W-W-W-With a kiss
Seal me with a kissI ain't gon' lie
If I just got one chance
With you tonight
Then baby we would dance
Until it's light
Romance is in the plans
