

# Talk to Me Now

Ani DiFranco

he said ani, you've gotten tough  
'cause my tone was curt  
yeah, and when i'm approached in a dark alley  
i don't lift my skirt  
in this city  
self-preservation  
is a full time occupation  
i'm determined  
to survive on this shore  
you know i don't  
avert my eyes anymore  
in a man's world  
i am a woman by birth  
and after nineteen times around i have found  
they will stop at nothing once they know what you are worth  
talk to me now  
i played the powerless  
in too many dark scenes  
and i was blessed with a birth and a death  
and i guess i just want some say in between  
don't you understand  
in the day to day  
and the face to face  
i have to act  
just as strong as i can  
just to preserve a place  
where i can be who i am  
so if you still know how  
talk to me now
