## House Party (feat. Fabolous, Wale & Mac Miller)

## **Meek Mill**

I tell 'em meet me in the bathroom

I fuck her while the water runnin'

Her friend knockin' at the door

And she screamin' out I'm cummin'I tell 'em meet me in the bathroom

I fuck her while the water runnin'

Her friend knockin' at the door

And she screamin'House party, I'mma play

The DJ Martin Lawrence

You know I'm always survivor man

Those guys, Kid and PlayI tell 'em meet me in the bathroom

I fuck her while the water runnin'

Her friend knockin' at the door

And she screamin' out I'm cummin'

And my youngin' in my other room

Fuckin' up my sheets

She tell 'em boy, don't grab my hair

Because you're fuckin' up my weaveI got a hundred bottles Ciroc boy

All my jewelry cold as fuck but I'm a hot boy

All these stones in my chain make me a rock boy

And I heard you niggas talking money, you should stop, boyI fuck bitches by the group, I get money by the pound

French Montana on all these niggas ch-ch-chop 'em down

Every time I'm in the club these niggas is not around

Everybody talking money, I say prove it not a soundWhite girls gone wild

We don't judge 'em though, they ain't on trial

Bad bitches got 'em on dial

It's bottoms up but it's going down

Welcome to my house party, party

Welcome to my house party, party

Welcome to my house party, party

Welcome to my house party, partyCiroc all on my table, bitches in the living room

They gon' ask who at the door, tryna get in too

Only me and my niggas, tell her bring a friend or two

Bottles poppin' models, watching all in my living roomWelcome to my house party, party

Welcome to my house party, party

Welcome to my house party, party

Welcome to my house party, partyMeet us at the bunny ranch

You know where the honey's camp

Meek Milly, Young Chris

You know why them honeys ampedGotta be a natural born star

Doin' shit that money can't

Daddy day care home

Why you think your honey ain'tWho you think she stay with?

This that Kid and Play shit

Your main chick got our night job

You can get a day shiftI'm a hit her from the back

Meek get her face shit

He ain't wanna sway up

In this motherfucker, hey bitchHey bitch, hey ho, yeah, we on that lay low

And they all Simon says, she do what I say so

Got the whole house packed, you can get your spouse back

When we done partyin', where the molly at that loud packHaters can't tell us shit, don't knock me, tell your bitch

House party, poppin' on that Martin shit, we're yelling switch

Cold bottles, cold magnums, gold bottles

We spitting on each other pussy and them hoes swallowCiroc all on my table, bitches in the living room

They gon' ask who at the door, tryna get in too

Only me and my niggas, tell her bring a friend or two

Bottles poppin' models watching all in my living roomCiroc all on my table, bitches in the living room

They gon' ask who at the door, tryna get in too

Only me and my niggas, tell her bring a friend or two

Bottles poppin' models watching all in my living roomWelcome to my house party, party

Welcome to my house party, party

Welcome to my house party, party

Welcome to my house party, partyATL new will ville

Tryna to show em how my nigga louis will feel

Thursday call it meek mill ville

You got a car ride in a Benz man it's the real dealWe in the movie room, we ain't watching movies though

Lights camera action, we gon' make a movie ho

She lookin' all at my wrist, she love the way this music blow

Pack house is hot as shit, she tell me that I'm cooler thoughCooler than a fan, fresh like it's

Easter

Homie, I don't even want your bitch, you can keep her

She say I ain't hit that, only you believe her

Pull off in the Lambo, I'm like hasta la vistaWelcome to my house party, party

Welcome to my house party, party

Welcome to my house party, party

Welcome to my house party, partyCiroc all on my table, bitches in the living room

They gon' ask who at the door, tryna get in too

Only me and my niggas, tell her bring a friend or two

Bottles poppin' models watching all in my living room
