

# If I Can't Have You

Kelly Clarkson

Hearts break too fast  
When they're sentimental  
Won't stay, won't last  
When it's love at first sight  
So why are my convictions  
Blinded by your spotlight Can't breathe, can't sleep  
Need some medication  
I'll kiss goodbye to my reservations  
I know there's other fish out in the sea  
Not for me, I want you  
If I can't have you  
Then I don't want anyone  
(I don't want anyone)  
If I can't have you  
Then all the damage has been done, baby  
We can break these rules  
If you wanna have some fun  
(If you wanna have some fun)  
Think of all the love that you would lose  
If I can't have you (If I can't have you)  
If I can't have you (If I can't have you)  
Heartbeat, cold sweat  
Thoughts slippin' under Can't fight, no threat  
'Cause there's just no use  
One look, no hesitation  
I'm slippin' into you  
Forgive these eyes  
These lips are chasin'  
No time to waste on an invitation  
My shame, my self control  
Has suffered enough  
And everybody wants to be loved  
If I can't have you  
Then I don't want anyone (I don't want anyone)  
If I can't have you  
Then all the damage has been done, baby  
We can break these rules  
If you wanna have some fun  
(If you wanna have some fun)  
Think of all the love that you would lose  
If I can't have you (If I can't have you)  
If I can't have you (If I can't have you)

I haven't seen the best that love has had to offer  
They say perfection's always right around the corner  
Could be true But if I can't have you  
If I can't have you  
Then I don't want anyone (I don't want anyone) If I can't have you  
Then all the damage has been done, baby  
We can break these rules  
If you wanna have some fun  
(If you wanna have some fun)  
Think of all the love that you would lose  
If I can't have you (If I can't have you)  
If I can't have you (If I can't have you)  
(If I can't have you)  
Think of all the love that you would lose  
If I can't have you
