

# Bulletproof (feat. Ludacris)

[Raheem DeVaughn](#)

[Raheem DeVaughn]

Load It, Cock It, Aim and Shoot

Load It, Cock It, Aim and Shoot Living like we bulletproof

We bang, bang, bang, bang, bang, bang

I say we load it, cock it, aim and shoot

Oh we load it, cock it, aim and shoot Some will die over oil kill over land

Charge you for taxes and Blame Uncle Sam

Read you your rights and charge you for nothing

Now whoâ
