

Still Got the Blues

Gary Moore

Used to be so easy
To give my heart away
But I found out the hard way
There's a price you have to pay
I found out that love
Was no friend of mine
I should have known
Time after time So long, it was so long ago
But I've still got the blues for you
Used to be so easy
To fall in love again
But I found out the hard way
It's a road that leads to pain
I found out that love
Was more than just a game
You're playing to win
But you'll lose just the same So long, it was so long ago
But I've still got the blues for you
So many years
Since I've seen your face
But here in my heart
There's an empty space
You used to be
So long, it was so long ago
But I've still got the blues for you
Though the days come and go
there is one thing I know: I've still got the blues for you
