

Not Your Friend

Case

Not Your Friend by Case
Your girlfriend wants to get with me
I can tell how she looks at me
And how she licks her tongue at me
Then ask for a ride home from me
She likes what I do to you
Tell you all the things that you never knew
Like the sky and her Ferrari's blue
Spending time in Honolulu Bridge
I told you once before
About that girl
She's so mysterious
So watch that girl
And keep that girl
Away from me
Cause she's jocking me
(she's jockin' me)
Chorus
Your girl (wanting me)
I see her (watching me)
She's licking (her lips at me)
She's not your friend
The girl (so shady)
I see her (watching me)
She's licking (her lips at me)
She's not your friend
That girl
Your friend wants to get wit' me
She's hawking me down like you wouldn't believe
Leaving her panties
At my doorstep too
Writing me letter, dissin' you
She's a freak like I told you so
Said she wanna go toe to toe
With me and your other girl Coko
Just sit back babe, watch her go
Bridge
Chorus (x2)
Bridge
Chorus to fade
I told you once before
She's not your friend
That girl
(x5)
