

# Road Head

## Japanese Breakfast

You gave road head  
On a turnpike exit  
Going home  
Going home Last ditch desperate  
Like a makeshift cell phone  
Pump and run  
Pump and run  
Pump and run  
Pump and run Dream on, baby  
Were his last words to me  
Dream on, baby  
So dreamin baby  
Took that corkscrewed highway  
Lightless miles  
Of big rigs  
Lightless miles, miles and miles
