(FLO RIDA) 1Flo Rida, Mizz Nina  
You better call Mr Fix-It  
Let em' know we got a problem Houston  
Flo Rida go up to the moon with the music  
Taking off boom boom that acoustics  
Countdown like 1, 2, 3, 4  
The party don't start till' I'm on the dancefloor  
Like 5, 6, 7, 8, we rockin' the club all day(MIZZ NINA) 1Said I've been rocking' round here,  
round here  
But it's about to get a little crazy up in here  
Cause you can't escape this club  
I'm bout to tear it up  
And I can see I gotcha trippin' for this  
Oh and I mean business  
Saying Houston  
We got a little problem, we got a little problem  
I, Imma gonna solve em'  
Saying Houston  
We got a little problem, we got a little problem  
Cause Imma gonna rock em'This is how its going down, going down  
And imma gonna break it, break it, break it down

And imma gonna tell ya and I'll tell ya what I said
