

The Tin Man

[Kenny Chesney](#)

(kenny chesney/stacey slate/david lowe)

Saw a man in the movies that didn't have a heart
how i wish i could give him mine
then i wouldn't have to feel it breaking all apart
and this emptiness inside would suit me fine

It's times like these

i wish i were a tin man
you could hurt me all you wanted
and i'd never even know

i'd give anything just to be the tin man
and i wouldn't have a heart and i wouldn't need a soul

I couldn't see your leavin' comin'

you took me by surprise
even now it still seems like a dream

but i know i can't be dreamin'
'cause as i lay down each night
the pain so great that it won't let me sleep

It's times like these

i wish i were a tin man
you could hurt me all you wanted
and i'd never even know

i'd give anything just to be the tin man
and i wouldn't have a heart and i wouldn't need a soul

well i'd give anything just to be the tin man
and i wouldn't have a heart and i wouldn't miss you so
