

# The Day I Tried to Live

## Soundgarden

I woke the same as any other day  
Except a voice was in my head  
It said, "Seize the day, pull the trigger  
Drop the blade and watch the rolling heads"  
The day I tried to live I stole a thousand beggar's change  
And gave it to the rich, yeah  
The day I tried to win I dangled from the power lines  
And let the martyrs stretch, yeah  
Singing one more time around  
(Might do it)  
One more time around  
(Might make it)  
One more time around  
(Might do it)  
One more time around  
(might make it)  
The day I tried to live  
Words you say, never seem  
To live up to the ones inside your head The lives we make never seem  
To ever get us anywhere but dead  
The day I tried to live  
I wallowed in the blood and mud  
With all the other pigs, hey  
Singing one more time around (Might do it)  
One more time around  
(Might make it)  
One more time around  
(Might do it)  
One more time around  
(Might make it)  
The day I tried to live, yeah, I tried  
I woke the same as any other day you know  
I should have stayed in bed  
The day I tried to win I wallowed  
In the blood and mud with all the other pigs And I learned that I was a liar  
(One more time around) I learned that I was a liar  
(One more time around)  
I learned that I was a liar (One more time around)  
I learned that I was a liar  
(One more time around)  
Singing one more time around (Might do it)  
One more time around

(Might make it)  
One more time around  
(Might do it)  
One more time around  
The day I tried to live  
Just like you  
Just like you  
One more time around  
One more time around
