

# Catch Me I'm Falling

## Real Life

Catch Me I'm Falling  
Wake up, don't sleep. Wake up, don't sleep.  
I lay down to rest my head,  
my soul to keep the night I dread,  
Real it is no dream.  
Slumber comes as darkness falls,  
and shadows dance across my walls,  
Life it is no dream.  
I wakes up, don't sleep.  
My dreams become so real to me.  
Catch Wake up, don't sleep.  
While the night is young.  
Catch me, I am falling... down again.  
Me I know it is a dream, but just the same.  
There's a face, before my eyes are closed,  
but I can't recognise the danger there.  
I'm Slumber comes as darkness falls  
and shadows dance across my walls,  
it is no dream.  
Falling  
I wakes up, don't sleep.  
My dreams become so real to me.  
Wake up, don't sleep.  
Real While the night is young.  
Catch me, I am falling... down again.  
I know it is a dream, but just the same.
