

# Something In the Air

## Tom Petty & The Heartbreakers

Call out the instigator  
Because there's something in the air  
We've got to get together sooner or later  
Because the revolution's here  
And you know it's right  
And you know that it's right  
We have got to get it together  
We have got to get it together, now  
Run through the fields and houses  
Because there's something in the air  
We've got to get together sooner or later  
Because the revolution's here  
And you know it's right  
And you know that it's right  
We have got to get it together  
We have got to get it together, now  
Call out the instigator  
Because there's something in the air  
We've got to get together sooner or later  
Because the revolution's here  
And you know it's right  
And you know that it's right  
We have got to get it together  
We have got to get it together, now
