## Khalil & Lil' Twist

Hey lil mama  
What you got poppin'  
Go on with that frontin' let me know something  
Say hey lil mama (oooooh, ooooooh)  
I said hey lil mama  
Hey miss lady don't try to play me  
They lame, they hatin  
Won't you be my baby  
Hey lil mama (oooooh, ooooooh)  
I said hey lil mama (oooooh, ooooooh)  
I like your hips, your swag  
The way you wear your hair  
Your smile, your skin  
Girl You's a perfect 10  
Hey lil mama  
Why you way ova there, I said  
Hey lil mama  
Why don't you come over here  
Come hang with me  
Have fun, party  
You sittin by yourself  
You know you should be with me  
Hey lil mama, why you still ova there  
I said hey lil mama  
Why don't you come ova here  
Hey lil mama What you got poppin'  
Go on with that frontin' let me know something  
Say hey lil mama (oooooh, ooooooh)
