

AAA

Courtney Act, Willam & Alaska Thunderfuck

What am I doing

Aaaaaaaa

Hieee

G'day

And general introductions

Got a new song and here's the instructions

Keep it upbeat with a lot of BPMs

No park and bark so you better move your stems

You're here to have fun and maybe get messy

Don't touch our wigs or bitch we'll get testy

Do not hate, don't discriminate

Do not ashley or mary kate

American Apparel is all gone

So we wrote this brand new song

Please don't bore us get to the chorus

Aaaaaaah

AAA, and now we walk this way

AAA, back to the front to the side to the hey

AAA from Sydney to LA

AAA, we're out of thing to say

Aaaaaaa

Hey hey hey you wanna meet the triple A's

What does triple A stand for anyway?

A is for Alaskaaa

Can't you talk any faster?

The next A is for Act

Representing Aussie and that's a fact

Willam is a A with no extra i

Wanna see what's going on between these tights?

Started a band with our best gal pals

We take Venmo, cash or PayPal

Asia, Africa, USA

Turn it up and say AAA

Please don't bore us get to the chorus

Aaaaaaah

AAA, and now we walk this way

AAA, back to the front, to the side, to the hey

AAA, from Sydney to LA

AAA, we're out of things to say

Aaaaaaa

Double D, triple A, batteries charged

We dont wear wigs with a frot thats hard

Back, front, back, my lace front
Shenanigans, shows, and stunts
Willam likes bangs
Alaska got buns
Courtney's got them all
But only wears one
The triple A girls that's what we're called
Come to the party and we'll snatch you bald!
We dont just sing songs in gay bars
We also fix automotive cars
Please dont bore us get to the chorus
Aaaaaah
AAA, and now we walk this way
AAA, back to the front to the side to the hey
AAA, we're out of things to say
Aaaaaaa
