

Call Out My Name

The Weeknd

We found each other
I helped you out of a broken place
You gave me comfort
But falling for you was my mistake I put you on top, I put you on top
I claimed you so proud and openly
And when times were rough, when times were rough
I made sure I held you close to me So call out my name (call out my name)
Call out my name when I miss you
So gently, I want you to stay (want you to stay)
I want you to stay even though you don't want me
Girl, why can't you wait? (why can't you wait, baby?)
Girl, why can't you wait 'til I fall out of love?
Won't you call out my name? (call out my name)
Girl, call out my name and I'll be on my way
And I'll be on my—
I said I didn't feel nothing, baby, but I lied
I almost cut a piece of myself for your life
Guess I was just another pitstop
'Til you made up your mind
You just wasted my time You're on top, I put you on top
I claimed you so proud and openly, babe
And when times were rough, when times were rough
I made sure I held you close to— So call out my name (call out my name, baby)
Call out my name when I kiss you
So gently, I want you to stay (I want you to stay)
I want you to stay even though you don't want me
Girl, why can't you wait? (girl, why can't you wait til' I-)
Girl, why can't you wait til' I fall out of loving?
Babe, call out my name (say call out my name, baby)
Just call out my name, and I'll be on my way
Girl, I'll be on my—
On my way, all the way
On my way, all the way, ooh
On my way, on my way, on my way
On my way, on my way, on my way
(On my)
