

Freewheel Burning

Judas Priest

Fast and furious we ride the universe
To carve a road for us that slices every curve in sight
We accelerate, no time to hesitate
This load will detonate whoever would contend its right
Born to lead at breakneck speed
With high octane we're spitting flames
Freewheel burning
Freewheel burning
On we catapult, we're thrusting to the hilt
Unearthing every fault, go headlong into any dare
We don't accept defeat, we never will retreat
We blaze with scorching heat obliteration's everywhere
Born to lead at breakneck speed
With high octane we're spitting flames
Freewheel burning
Freewheel burning
Look before you leap has never been the way we keep
Our road is free
Charging to the top and never give in never stops
The way to be
Hold on to the lead with all your will and concede
You'll find there's life with victory on high
with victory on high
Look before you leap has never been the way we keep
Our road is free
Charging to the top and never give in never stops
The way to be
Hold on to the lead with all your will and concede
You'll find there's life with victory
with victory on high
Freewheel burning
Freewheel burning
Freewheel burning
Freewheel burning
Freewheel burning
Freewheel burning
Freewheel burning
Freewheel burning
