

Seduction

Usher

Ah, sexy, sexy, sexy, sexy, sexy, oooh
Voluptuous, I love your confidence
You got it, you got it
Seduce me baby, seduce me Just to get my attention
Sent a note and a drink
When we made our connection
She just nodded and winked
On this note it said
Its bout time we get together
Lets dance now, hook up later
We can do whatever
She had confidence
But its all part of the game
Cuz to her, though I'm whipped,
Don't really mean a thing
She knew just what I liked
And now I'm thirsty for more
(Chorus)
Seduction
Sensuous, sexy, erotic,
How you working your body
Oooh oh, you gon' make me do it,
Do it to ya
Seduction
You throwed out your best
To get me outta control, baby
The more I play around wit you
Baby wanna get down wit you
Down wit you, down with ya
You got my attention,
What you gon' do with it?
Baby turn around, stick it out,
I wanna see it
She make the first move, smooth, intoxicatin'
She plays me
I'm fightin' not to lose control
Now I'm feelin' a little tension
Don't know whos watchin
Getting big
In too deep, and I can't stop it
Your makin it hard for me
Stay (hard) to walk away (hard)

Don't wanna play no more (hard)
 I cant take it baby(Chorus)
 Seduction (oh you got me baby)
 Sensuous, sexy, erotic,
 How you working your body
 Oooh oh, you gon' make me do it,
 Do it to ya
 Seduction
 You throwed out your best
 To get me outta control, baby
 The more I play around wit you
 Baby wanna get down wit you
 Down wit you, down wit yaBaby whatever you want, girl you got it
 I'll let ya satisfy
 Cuz its so hard to resist, oh your body
 Got me on fire
 Got vivid thoughts in my mind
 Of positions that im gonna try
 But is it worth all the hurt
 Should I risk it just for one night
 Once I give in, shes gonna win,
 Either way I lose
 But I gotta have youIm tryin to chill, but she got me on the spot
 Shes so cocky, and the way she watchin me
 Got me feelin hot, uh
 Shorty know that I got a girl
 And I really can't break the rules, plus
 Paparazzi snappin shots,
 And its hard for me to shake these fools
 So do I, one, put it on her, work my way to the front
 Do I, two, play my part, and she will know not to pull no stunts,
 Or maybe, three, chase the cat, cuz shes sendin' me on the hunt
 Nah, f*ck that, I aint no punk, imma give shorty what she wants(Chorus)
 Seduction (oh you got me baby)
 Sensuous, sexy, erotic, (gotta have you)
 How you working your body
 (We should leave right now, my cars outside)
 Oooh oh, you gon' make me do it,
 Do it to ya
 Seduction
 You throwed out your best
 (I got the VIP suite baby)
 To get me outta control, baby
 The more I play around wit you
 Baby wanna get down wit you
 Down wit you, down wit ya(Chorus fade to end)
