

# Hang On In There

## John Legend & The Roots

There ain't no time,  
No time for sorrow.  
And we ain't got time no time  
Ah time to be sad.  
And maybe the world ain't what it could be  
But to understand why is to know reality  
Ah don't give in (hang on in there)  
Ah I said hang on (hang on in there)How many times did you hear your mom and daddy?  
Say oh child I never had it so good  
I wanna say thank you, thank you for the start  
Cause deep in my soul, I know you did all that you could  
I'm just a part of your dreams this I know  
But I'll do what ever possible to make this thing grow.  
Ah don't give in (hang on in there)  
I said hang on (hang on in there)  
Ah now say tomorrow you woke up a king  
Now tell me just how would you fix everything?  
You walk around complaining about how things are  
But what have you added to this world so far  
Check out your mind, and see what the answer is  
And tell me how much did you give  
Ah don't give in (hang on in there)  
I said hang on (hang on in there)There are plenty of things still left to live for  
A child, a friend, and a wife  
They all want to share your life.  
Ain't that enough to make you want hang on  
Hang on, hang on (hang on in there)The sign said "America love it or leave" well has it really  
come to that?  
And beside, I don't want to and you can't make me love  
I've got too many friends, that have she'd their blood,  
I've got too many relatives here born on this land  
So you can't make me leave  
I say this is my county and you can't make me leave  
You can't make me love the way you treat me  
And you can't make me love the way you beat me.Hang on in there, I'm gonna hang on  
No matter you do or what you say  
Is just wanna let you know you can't drive me awayI'm gonna ay hang  
I'm not gonna throw up my hand  
I'm not gonna throw up my handAny you can't drive me from my home land  
If the smog from the cars and so many live we have lostStill No matter what I'm gonna hang on
